Pre-Born![™]
SAVE BABIES AND SOULS

*“Defend the weak and
the fatherless...”*

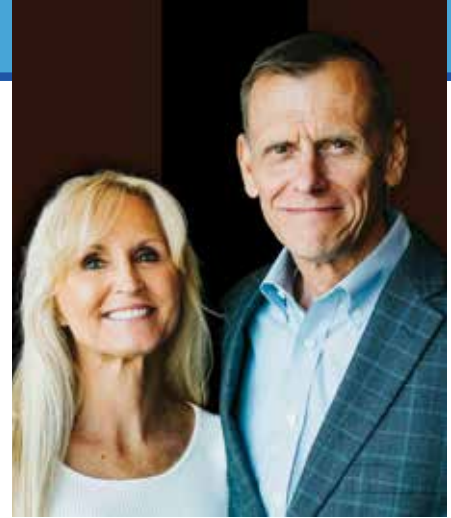

PSALMS 82:3

PRESIDENT'S LETTER

A Family of Heroes

"Wisdom is vindicated by all her children." – Luke 7:35

While the past twelve months may prove to be the most impactful to the cause of life in America's tumultuous history, the change may come slower than we hope. The anticipated abolishing of *Roe v. Wade* will not end abortion in America but will only shift the abortion question from the Federal Government to the individual states. This critical shift will trigger the polarization of red and blue states defending or restricting abortion; and so, tragically, abortion will continue to be the defining and most divisive issue of our age. More important, though, is the judgement of God on our nation due to the continued shedding of innocent blood. The battle lines have never been clearer – state by state the need never greater - this is where we stand!

Dan Steiner, President of Pre-Born! and wife, Valerie Steiner

Because of your generous sacrifice, the Chief Executive Officer of Pre-Born!, the Lord Jesus Christ, magnificently rescued the lives of 44,849 babies in 2021. Most of these women were pressured by their mother, by their boyfriend, or by circumstances into a decision that they would have regretted for the rest of their lives. Even more importantly, the kingdom of heaven is expanding! By underwriting ultrasound sessions and ultrasound machines, you allowed 8,796 women to receive Jesus Christ as their Lord and Savior in 2021. As always, the gospel remains the highest motivating purpose for Pre-Born! But the battle is not over.

The Battle of a Lifetime

In June, the Supreme Court will likely overturn *Roe v. Wade* and turn the question of abortion back to the states. We know that many states will restrict abortion. Grievously, however, many states are fighting to make abortion incontestable. These liberal states are providing for women in abortion-restricted states - through tax dollar funding - to come to their states for an abortion. Turning *Roe v. Wade* back to the purview of the states is already creating abortion sanctuary and destination states. Governors of liberal bastions of abortion... states such as California, New York and Illinois, have sworn and taken measures for women to come into their states for abortion. They are redoubling their efforts to make abortion a protected "right" in their states.

Pre-Born! is ready for this shift. Over the last 16 years, Pre-Born! has had the most significant presence in these highest abortion states: California, New York, Texas, Florida, and Illinois. The abortion battle will be shifting to online in specific abortion liberal states. Because of our family of heroes, you who support Pre-Born!, we are there and ready for this shift in the abortion cause space. Because of your help, this year, we are trusting God to save the lives of over 64,000 babies and 12,000 souls! We thank God daily for faithful partners like you who pray, volunteer, and give to make these great victories possible. We are fully persuaded and know the best is yet to come!

In Christ,

Dan Steiner
President of Pre-Born!

PRE-BORN! 15

In 2021, Pre-Born! turned 15 years old! To celebrate 15 years of saving babies and souls, Pre-Born! picnicked at Eagle Creek Park in Indianapolis, IN on

May 29th, 2021, awaiting the arrival of three young ladies: Emily, Phoenix, and Savannah.

The three school girls walked from Illinois to Indiana to raise money for preborn babies in their Walk for the Unborn. Their walk began at Providence Church in Mattoon, Illinois, and ended at Eagle Creek Park to celebrate with Pre-Born!.

Phoenix had a heart for the unborn at a young age. When she first discovered Pre-Born!, she put her skills to work, crocheting stuffed animals to sell for donations, which ultimately provided two ultrasounds to expectant mothers. Phoenix and her friends, Emily and Savannah, came up with the idea for a long-distance walk to raise more money and to give a voice to unborn babies. Together, they started Walk for the Unborn, where they would travel 132 miles to raise money for ultrasounds.

Hoping to raise \$1000 for every mile, the girls' goal was to raise \$132,000 to support Pre-Born!. Emily, Phoenix, and Savannah wanted to provide an ultrasound machine and as many ultrasound scans as possible because they know the powerful impact an ultrasound scan can have on a new mother. With your help, Emily, Phoenix, and Savannah surpassed their goal, raising \$156,000 to help moms choose life for their preborn babies!

Pre-Born! arranged to celebrate its birthday at the end of the Walk for the Unborn to congratulate the girls on their efforts. We met Emily, Phoenix, and Savannah and announced how much they raised. Our celebration with the girls and their families began with a time of worship, bringing glory and

honor to God through it all. We had BBQ and birthday cake and played sand volleyball and Bible trivia.

Just like Emily, Phoenix, and Savannah, you also can provide vital ultrasound scans to women vulnerable to abortion. A \$28 gift provides one ultrasound scan and \$140 provides five free ultrasound scans for mothers in unplanned pregnancies. These girls are an inspiration that God can and will use anyone for His glory and His Kingdom! If God can use three young teenage girls in their willingness to sacrifice their time, convenience, and energy to save babies and souls, then how can God use you?

Emily, Phoenix and Savannah wanted to make a difference and save babies. They walked 132 miles to raise \$156,000 to help moms choose life.

FINANCIAL REPORT

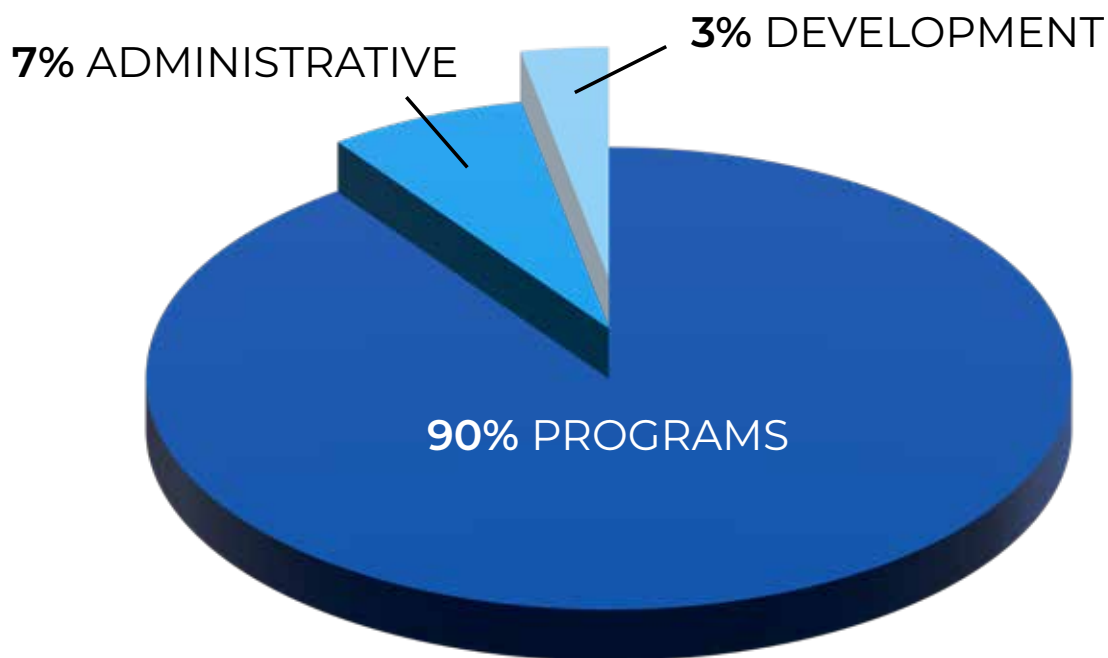

TOTAL INCOME = \$16,644,124.63

TOTAL EXPENSES = \$17,037,923.09

PROGRAMS = \$15,250,442.88

ADMINISTRATIVE = \$1,200,259.05

DEVELOPMENT = \$587,221.16

All gifts to PreBorn! are tax-deductible to the fullest extent of the law.

**"WE MAKE A LIVING BY WHAT WE GET,
WE MAKE A LIFE BY WHAT WE GIVE."**

- WINSTON CHURCHILL

TRANSFORMING LIVES

AN ENCOUNTER WITH JESUS

Jane walked into a Pre-Born! Pregnancy Clinic with tear-stained eyes. After years of being in an abusive relationship, she was finally free. She was a young, single mother of two little ones who relied solely on her.

She didn't want to have an abortion, but she felt so alone that it seemed like the easiest choice. Her client advocate shared the gospel with Jane and reassured her that God would never abandon her. She told Jane that God would continue to meet her needs as she trusted in Him. Thankfully, Jane accepted Christ into her heart!

She shared how her drinking and partying spiraled out of control before she found out about her baby, but that since then, she hasn't touched alcohol.

The Lord spoke to Jane through a loving client advocate that day and used Jane's pregnancy to encounter Jesus and draw her near to Him. Jane knew that God had given her this baby to save her and she **CHOSE LIFE**.
